

Maths

This half term we will be looking at multiplication and length and perimeter. The children will practise the key skills and then given the opportunity to apply these skills to solve problems independently.

We will also continue to work on our multiplication facts (2, 5, 10, 3, 4, 6s)

English

We will be doing the Pied Piper of Hamelin, by Micahel Mopurgo. Followed by the BFG by Roald Dahl and the Dream Giver film. The children will learn a range of reading and grammar skills over the half term to enable them to write their own Legend, newspaper and first person recount.

We will continue recapping on Year 1 and 2 Common exception words, as well as looking at the Year 3 and 4 spelling patterns.

Art

This term we will work on improving the children's art and design techniques focussing on printing. We will be looking at Andy Warhol and his amazing Pop Art mono-prints.

Year 3

Spring Half Term 1

The United Kingdom

Music/French

French: This term the children's learning is based around the French version of the story 'The Hungry Caterpillar'. The children will learn vocabulary for days of the week and key words from the story in order to retell the story in French.

Music: This term we will be exploring reggae through Bob Marley 'Three Little Birds'.

Computing

We will develop understanding of digital devices, with an initial focus on inputs, processes, and outputs. They will also compare digital and non-digital devices. Next, learners will be introduced to computer networks, including devices that make up a network's infrastructure, such as wireless access points and switches.

Topic

(Geography)

This half term we will be focusing on the United Kingdom. We will be looking at: the capital cities, seas and rivers, hills and mountains, counties, human features, where food grows and the weather.

Science

This half term we will be looking at animals, focusing on humans. We will focus on nutrition, skeletons and how muscles support us.

RE

We will be looking at Miracles, focussing on Jesus and the miracles in Christianity.

PSHE

We will be looking at how children can keep themselves safe and how to deal when they are faced with dangerous or risky situations. We will identify some key risks from and effects of cigarettes and alcohol.

PE

This half term the children will be going swimming, where they will be learning about different strokes, as well as how to be water safe.

This term we will also be continuing with invasion games- focussing on Dodgeball.
