

## Maths

Children will be learning standard written methods of multiplication and division, moving on to solving problems using these methods.

They will be moving on to exploring area and then fractions and decimals.

We are trying to encourage the children to learn their times table facts by heart.

## English

We will be looking at the following texts during our reading into writing sessions.

Winter's Child

Weslandia

Little Shoemaker (a film)

We will be answering VIPERS questions on each text as well as writing in different styles for different audiences.

## Art/DT

We will be focussing on drawing, looking at how to use shading, scale and proportion and symmetry in our work.

# Year 4

## SPRING Half Term 1

## Computing

We will be learning about the internet, answering the following questions: What is it? How does it work? How do we access it? What is a web site? Who owns the web?

## History

We will be continuing to learn about the Romans and the impact they made on modern life in Britain. We are also looking forward to our trip to the Dorchester Roman Villa on the 25<sup>th</sup> January.

## Music/French

French: This term our topic in French is items from a pencil case. They will learn a new sentence starter so that they can describe what is in their pencil case including the colour of the item.

Music: The children will be taking part in the DMS Musicianship Programme learning Brass instruments.

## Science

This half term we will be looking at SOUND: How sound is made and how it travels, investigate pitch and volume and learn how we hear.

## RE

Our main religion focus this half term is Buddhism. We will be learning about the teachings of Buddha and exploring what he taught about change.

## PSHE

This term we will be focussing on keeping ourselves safe with a focus on safe internet use and relationship education.

## PE

This term, we will be continuing with invasion games looking at basketball. We will also be doing dance in indoor PE.
