

## English: Reading into Writing

- ◇ Inspired by the magical creatures in JK Rowling's *Fantastic Beasts and Where To Find Them*, we will design and create our own fantastic beasts and write a formal field guide entry about them.
- ◇ We will also read an abridged version of *MacBeth* and develop our opinion and debate who is more evil - MacBeth or his wife.
- ◇ In Grammar, we will learn how to use the passive voice to add effect to our writing and continue to develop our use of conjunctions to link ideas within and across paragraphs.

## Science

### Living Things & Their Habitats

We will be learning about classification including microorganisms, plants & animals.

# Year 6 Spring 2

## Music

The children will be exploring rhythmic and melodic ostinato with Carl Orf and Carmina Burana.

## French

The children will be learning about schools in France. They will learn about the different subjects that we are learning and how to give an opinion on which subjects they like and dislike. They will learn how to give a reason for their opinions.

## PSHE

We will look at rights and respecting, and how this will support our environment.

## Maths

- ◇ Algebra
- ◇ Area, Perimeter and Volume
- ◇ Statistics
- ◇ We will also be revising key skills to support us with our SATs

## PE

- ◇ **Handball:** We will be exploring the rules, skills and knowledge of handball.
- ◇ **Dodgeball:** We will be using a range of skills that are required across all sports to refine our knowledge in this invasion game

## Computing

We will explore how e-safety is important in our current climate.

## D&T

'Bake-off' challenge; each group will have a 'client' that has different dietary needs (vegan, gluten-free etc) and they will have to design a recipe and cook muffins which will be subject to a taste test.

## RE

We will be learning about the basic beliefs of Christianity and explore our own beliefs. We will also study the events leading up to and including Holy Week and Easter Sunday.

## Geography: Trade and Economics

- We will be locating the world's countries, using maps, to focus on countries that trade with the UK
- We will identify the position and significance of the Prime/ Greenwich Meridian and time zones (including day and night)
- We will study the human and physical geography of the UK and El Salvador, and understand how they link to trade.
