

Year 3 Music Lesson 29.4.20

Hi Year 3,

How are you all? I hope you are ok. Did you manage to have a go at last week's activity? Don't worry if you didn't.

This week's activity uses the same website and the same password. You'll need to go to www.musicplayonline.com and log in using these details:

Username: snow Password: 2020

You should see this screen again.

Do you remember some of the instruments you found in last week's activity? This time you will need to click on What Instrument Do You Hear?

Click on "Start"

This page explains the game.

The little red arrow under the Princess moves you to the next page.

Each quiz page looks like this. You'll have three instruments with a crown next to them. Click on the frog to hear the instrument play and then choose which instrument you think it is by clicking on the crown next to it. If you're right, a magical sound will play. If you're wrong, the frog will ribbit! You'll get a score at the end.

Can you name any of the instruments you hear?

You don't have to do this activity on the day it is set, you can do it whenever you feel like it. It shouldn't take you too long; 20 minutes is more than enough.

I'd love to hear how you got on with the activity. You can ask an adult to email me at musiclessons@lmpsdorset.co.uk

Take care

Miss Wells
