

Arithmetic Video Challenge

To support your arithmetic learning I have created an entire series of instructional videos that model how to answer all of the questions from the 2017 Paper 1 Arithmetic test.

Hidden within all of these videos is a secret code. Once complete, please bring the answer to me and you will be rewarded with a non-school uniform token.

Good luck.

Note: Please find a downloadable and printable copy of the original test paper below. You are welcome to use them to help you practice your arithmetic skills. Alternatively, please see the Merlin and Kestrel class pages on the school website where you can download this sheet and the SATs Paper 1 document, where the questions have come from.
